Grants help fund a lot of work.

£74,099.47 of grants were paid out by the charity helping 194 older and/or disabled households. This enabled £150,062.40 of works to be carried out.

Equipment to help independent living

We purchased equipment for clients, either in bulk or client specific, totalling £3,791.58. Items like easy read clocks, one-cup kettles, comfort cutlery, hand grabbers to name a few.

CHARITY ANNUAL REVIEW

Grants from initiative funds

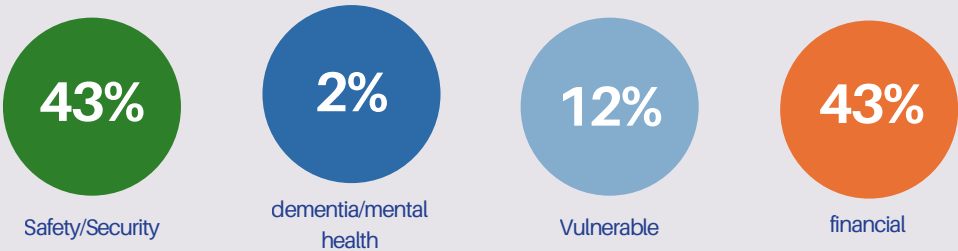

We applied for funding to provide grants from our initiative funds.

Companies/Trusts indicate their preferred area of support; others make a general donation, and funds are distributed across the various initiative funds. A total of £11,500 was raised through these sources.

AWARD CATEGORY

65% of clients who received a grant this year lived alone and almost 40% were aged between 67-80 years old.

EQUIPMENT

75% of requests were from an OT/health & social care staff
52% of requests were for an easy read clock, which is our most popular item
