SECTION 1 – KEY PRINCIPLES, AIMS AND STANDARDS

1.1 AIMS

The key aims of the Associations Allocations Policy are:

- To maximise the opportunities for applicants to access our housing.
- To enable applicants to make informed choices through the provision of clear information and advice.
- To facilitate a straightforward application process.
- To empower applicants through the use of a Choice Based Lettings approach to allocations.
- To give suitable priority to people with significant levels of housing needs, (and/or support needs, as appropriate), without discriminatory restrictions.
- To promote sustainable communities, where people want to live, by making best use of housing stock and by working with partners, including Local Authorities, towards this aim.
- To promote equality of opportunity and to ensure that, in allocation of housing, the Association does not unfairly discriminate against any individual, household or group on the grounds of sex or marital status, on racial grounds, or on grounds of disability, age, sexual orientation, language or social origin, religion or personal beliefs.

1.2 REGULATORY FRAMEWORK

This policy operates within the legal framework provided by the Housing (Scotland) Act, 2001 and the Housing (Scotland) Act 1987, (as amended by the 2001 Act). Housing (Scotland) Act 2014

The policy facilitates compliance with the published Social Housing Allocations: A Practice Guide (Scottish Government February 2019) and aims to reflect the aims of the Scottish Social Housing Charter, which states:

Social landlords work together to ensure that:

- People looking for housing get information that helps them make informed choices and decisions about the range of housing options

Social landlords ensure that:

- People at risk of losing their homes get advice on preventing homelessness

Social landlords ensure that:

- People looking for housing find it easy to apply for the widest choice of social housing available and get the information they need on how the landlord allocates homes and on their prospects of being housed.

The full Scottish Social Housing Charter April 2017 can be found on the Associations website:

<https://www.castlehillha.co.uk/wp-content/uploads/2017/05/Scottish-Social-Housing-Charter-revised.pdf>

1.3 ACCESS TO THE HOUSING LIST

Any person who is aged 16 or over, or any household where there is at least one person aged 16 or over, may apply to be placed on the Housing List and have their need for accommodation with the Association assessed.

The Association operates a Choice Based Lettings (CBL) system for allocations through Homehunt North East Scotland. CBL is used to let our rented housing stock in Aberdeen City, Aberdeenshire and Moray and for our Shared Ownership properties. Applications are made online at www.Homehunt.info A paper based application can be made available for any applicant who cannot access the website.

1.3.1 GROUPS POTENTIALLY DISADVANTAGED USING CHOICE BASED LETTINGS

It is widely recognised that CBL systems could disadvantage some groups which may include:

- The very elderly or infirm
- People with learning difficulties
- People with literacy difficulties
- Recent migrants and others with a limited understanding of English
- People with limited access to the internet

To protect the interests of those who may face particular difficulties accessing housing with Castlehill, through HomehuntNES, a number of mechanisms are in place with include but which are not limited to:

- Provision of personal assistance in navigating the application process
- Contact with applicants with the highest priority (gold) if no interest in Properties has been made within a set time
- Direct mailing of vacant properties to agencies and applicants upon request
- Facility to translate allocation information into other languages
- Information on vacant properties advertised via phone
- Proxy bidding by advocates, family members, agencies etc

1.4 TENANT MOBILITY

The Association promotes the use of Mutual Exchanges as a vehicle for tenants moving home both for need and aspiration. The Association is part of the House Exchange network through the apply4homes partnership and is encouraging and assisting tenants in registering and finding mutual exchanges.

1.5 REASONABLE PREFERENCE

The Association has set the priority awards for applicants under careful consideration of reasonable preference as detailed in Section 20 (1) of the 1987 Act (as amended by The 2014 Act) and reflects that reasonable preference must be given to applicants who:

- Homeless person and person threatened with homelessness and who have unmet housing needs;
- People who are living under unsatisfactory housing conditions and who have unmet housing needs; and
- Tenants of houses which are held by a social landlord, which the social landlord selecting its tenants considers to be under-occupied.

The Association has set priority needs award against these categories with the aim that lets will be successful and sustainable for both the applicants and the wider community and will make best use of the Associations stock.

1.6 HOUSING STOCK

Castlehill's stock consists of general needs flats and houses and of properties specifically designed for older people including amenity housing (on a rented or shared ownership basis), sheltered housing and very sheltered housing.

The Association will maintain a list of the locations of all our housing stock on the Associations website www.castlehillha.co.uk

- **General Needs Accommodation** – Properties for rent consisting of flats and houses where no permanent support service is attached to the property within our general needs stock some accommodation has specific adaptations to meet the needs of people with physical disabilities.
- **Amenity Accommodation** – Properties available to those normally over 55 years of age or with a medical or physical disability that requires some or all of the features of amenity accommodation. Accommodation will feature easily accessed facilities within the home and flatted properties will be no higher than two floors or have lift access.

Some accommodation within the amenity stock has been designated for a supported housing project for older people from the Chinese community. Allocations for these properties will be made to older Chinese people with appropriate needs and priorities will be assessed as for other allocations. Other applicants, who meet the criteria for amenity housing, will be considered for tenancies only if the Association is unable to identify Chinese applicants in need of the accommodation.

- **Amenity Shared Ownership** – Accommodation as described above but available only on a shared ownership basis.

- **Sheltered Housing** – Normally over the age of 60 years and require support from resident or visiting staff. Additional communal facilities, e.g. residents lounge, may be provided in sheltered housing. Applicants under 60 years with a medical or support needs may be considered if their housing and support needs can be met within the context of sheltered housing.
- **Very Sheltered Housing** – Similarly designed properties to sheltered housing, but with a higher level of support service from staff and additional facilities such as provision of a daily meal. Very sheltered housing will only be made available to older people with high levels of support needs.

1.7 TENANCY AGREEMENTS

All offers of tenancy in rented properties (other than in circumstances outlined below) will be on the basis of a full Scottish Secure Tenancy (SST). Short SST's will only be offered by the Association where grounds under Schedule 6 of the Housing (Scotland) Act 2001 apply. In summary, these grounds are:

- Previous anti-social behaviour resulting in recovery of possession within 3 years of the offer of tenancy.
- Prospective tenant or other household member is subject to an Anti-Social Behaviour Order under Section 19 of the Crime and Disorder Act, 1998.
- Temporary lets to persons moving to the area for employment whilst seeking permanent accommodation.
- Temporary lets in properties awaiting development.
- Temporary homeless accommodation.
- Temporary lets to persons requiring or in receipt of housing support services.
- Lets in properties not owned by the association but leased from other bodies.

Any use of Short SST's will be reported to the Management Committee.

For shared ownership properties, an appropriate Occupancy Agreement will be used detailing the conditions of occupancy and size of share.

1.8 APPLICANT'S HOUSING REQUIREMENTS

As outlined in Section 2 of this policy, under the CBL scheme the Association will look at "best use" in making each allocation. This will take account of factors such as support needs (e.g. for sheltered), requirements for adapted property and the size of accommodation needed by the household.

Whilst recognising the principle of "choice" for applicants, the following criteria may be used in determining "best use" of a particular size of property.

The following each require a separate bedroom:

- A single adult
- Two adults who are partners
- Children of different sexes where the eldest has reached age 8

- A young person who has reached the age of 14 years
- Children of the same sex where there is a 10 year or more age gap
- Where there is an assessed medical reason for persons who would normally share not to
- Where an additional room is required for medical equipment

Permanent carers and foster children who are part of a household will be assessed as part of the family.

1.9 APPLICATIONS FROM REFUGEES AND ASYLUM SEEKERS

The Association will consider applications for accommodation from, or on behalf of refugees and asylum seekers. In assessing such applications, the Association will require to ensure that the applicant has appropriate authority from the Home Office and that provisions are in place for the financing of any tenancy offered.

EU nationals have the right to be admitted to the Associations housing list and they have the right to housing and homelessness assistance. Therefore, the Association has no requirement to make enquiries about immigration status when accepting an applicant to the housing list.

The above may require to be reviewed once the implications of the UK leaving the EU become clear.

1.10 SUSTAINABLE COMMUNITIES/ SENSITIVE LETS

The Association will give consideration to household profile in terms of age range, sex or household type for specific allocations where this is considered necessary to address issues relating to estate management, vulnerability of other tenants or sustainability of the community within the properties managed by the Association. Upcoming voids will be identified prior to advertising the vacancy and a clear audit trail will be kept showing decisions made for Sensitive Lets.

1.10.1 LOCAL LETTINGS INITIATIVES

Taking account of Local Housing Strategies, the Association will work in Partnership with the Local Authority, and local communities to deliver locally agreed outcomes in rural locations. This will apply to new lets in new developments and a jointly agreed Local Lettings Initiative (LLI) will be agreed prior to handover. The LLI will be published and will be widely circulated to agencies within the community and will be made available on Castlehill's website. The LLI will operate within statute and guidance.

As an example, a LLI may be put in place in a location where there is high demand where the Association wishes to prioritise access for applicants living rural areas, where there have been problems with recurring Anti Social Behaviour or where there is a lack of essential workers and where these skills are in short supply.

Where a LLI is put in place, the Association will report on the outcomes of the LLI against its aims and monitor the long- term impact of the LLI.

1.10.2 LOCAL CONNECTION

The Association will not take into consideration how long an applicant has lived in the area however local connection will be considered in the assessment of personal circumstances where an applicant is moving to provide or receive support or who are working in the local area. Local Connection may also be reflected in LLI's where this has been agreed with partners.

1.10.3 APPLICANTS POSING A RISK

The Association is committed to working in partnership under the Multi Agency Public Protection (MAPPA) arrangements to ensure that communities remain safe and that appropriate allocations are made. Allocations will be made with reference to the National Accommodation Strategy for Sex Offenders (NASSO) which sets out the overall objective to improve public protection by the adoption of consistent approaches to the assessment and management of risk and to ensure that appropriate resources are all allocated to the management of offenders. Applicants managed under MAPPA may pose a risk of Sexual or Violent Offences. A copy of the Duty to Co-operate Policy which details procedures for the Associations involvement in managing offenders is attached available.

1.11 ALLOCATIONS TO PERSONS CONNECTED TO THE ASSOCIATION

If, under this policy, Association employees, Committee members or relatives of these people qualify for the allocation of a tenancy, the offer must be approved by the Management Committee and registered appropriately in line with Schedule 7 of the Housing (Scotland) Act, 2001.

1.12 ALLOCATIONS MADE OUT WITH THE CBL SYSTEM

Part 2 of the Allocations Policy – Agreement on Key Principles sets out allocations that can be made without going through the CBL process. In addition to these, there may be circumstances presented by an applicant or tenant which are exceptional and do not fit into the normal system for assessing priority but where there is an urgent need for rehousing. In such circumstances, the Association will give consideration to the applicant/tenant out with the CBL system but only where the applicant has a need greater than others on the list. Such allocations will represent a tiny proportion of the total lets made by the Association and will not be used where the applicant/tenant is unhappy with the level of priority they have been awarded.

Lets made under these circumstances will be reported to committee and a full audit trail will be evidenced.

1.13 ADVICE AND INFORMATION

In order to maximise access to our housing list the Association will publicise our properties through a wide range of sources and through links to the local Authorities in our area of operation. Castlehill will work in partnership with other organisations through Homehunt NES to provide consistent advice

and information. Homehunt NES will publish a guide to our allocations system to summarise this policy.

1.14 APPLICANT/ TENANT FEEDBACK

Castlehill aim to complete a survey of applicants and housed tenants on at least a 3- yearly basis to receive comment on how they found applying for housing using HomehuntNES. This will be done jointly with Sanctuary Scotland Housing Association and Grampian Housing Association and the results will be presented to the Housing Management Sub Committee. The results of the last survey carried out in March 2019 and be found here: (insert link to website)

SECTION 2 - *Homehunt*[®] NORTH EAST SCOTLAND - CHOICE BASED LETTINGS

INTRODUCTION

This section is produced jointly between Castlehill Housing Association, Sanctuary Scotland Housing Association and Grampian Housing Association. It confirms the agreement on key policy issues in relation to allocation of vacant properties via Choice Based Lettings. This document forms part of each organisation's Allocations Policy.

AIMS

The following are the key aims in relation to this document:

- To set out the main criteria that will allow vacant properties to be let via a Choice Based Lettings system of allocations.
- To adhere to all legislative and good practice requirements.
- To promote choice and empowerment to applicants in relation to their housing or re-housing options and aspirations.
- To promote clear and agreed terms of partnership working between Castlehill Housing Association, Sanctuary Scotland Housing Association and Grampian Housing Association.

CHOICE BASED LETTINGS

Castlehill Housing Association, Sanctuary Scotland Housing Association and Grampian Housing Association work in partnership to allocate their vacant properties via a Choice Based Lettings System.

Choice Based Lettings is a system of allocation that allows applicants to bid for properties that they are interested in. Applicants with a significant housing need can apply for a priority award and this need will be assessed, which may aid applicants in increasing their priority to receive an offer of housing.

This will be delivered by the use of the Homehunt software system.

In addition to this document, the following documents will be produced to clarify the method of delivery of the Homehunt lettings service and to give clear terms of agreement between the three organisations:

- Homehunt NES – A guide for applicants
- Partnership Agreement between Castlehill Housing Association, Sanctuary Scotland Housing Association and Grampian Housing Association

- Choice Based Letting Homeless Protocols

KEY PROCEDURAL ISSUES

APPLICATIONS FOR HOUSING

In order to maximise access to housing, applicants will be able to register with Homehunt NES by:

- Completing the online application at www.Homehunt.info, if applicants do not have their own online access, they can access it at Castlehill Housing Association office or Grampian Housing Association office where there is online access to the Homehunt website

In the event applicants cannot access the online application, arrangements can be made for a paper form to be sent to them.

Applicants will complete an online application, which asks for details and highlights any priority that the applicant may qualify for. The key aim will be to gather only information, which will be required to allow the applicant to be registered. At this point the applicant can bid without priority. The applicant will be given a unique reference number and the date of application.

APPLICATION PROCESS

Applicants can apply for a priority award under the following categories:

- Housing Circumstances
- Overcrowding/Under-occupation
- Lacking Facilities
- Medical
- Personal Circumstances

Priority pass applications will be considered by the Administrator and where applicable, a Gold, Silver or Bronze priority pass may be awarded. Applicants can bid for properties without priority passes.

If the applicant's circumstances change in any of the following ways, they must advise Homehunt at the earliest opportunity;

- Change in address
- Adding or removing other household members

If an applicant is successful in bidding and is considered for a property, a home visit will be carried out by a Housing Officer. This visit will be used to verify the details provided in the application. Tenancy references will be requested at this stage if applicable.

PRIORITY NEED CATEGORIES

Three priority need awards will be available – Gold, Silver plus, Silver and Bronze. Gold priority will be the highest priority award followed by Silver plus, Silver and Bronze respectively.

Of the priority need awards listed above, the awards available in each category are listed below:

| <i>Priority Pass</i> | <i>Possible Award</i> |
|------------------------|-----------------------|
| Housing Circumstances | Gold, Silver plus |
| Lacking Facilities | Silver, Bronze |
| Overcrowding | Gold, Silver, Bronze |
| Under-occupation | Silver, Bronze |
| Medical | Gold, Silver, Bronze |
| Personal Circumstances | Gold, Silver, Bronze |

Section three of this policy shows the allocations categories and definitions that will be used to assess applications for priority need.

Note: In relation to the Housing Circumstances priority pass, the Gold award will be given to applicants who have been classed as statutory homeless. The Silver plus award will be given to applicants who are *not* statutory homeless but are in a situation where they expect to be homeless in the near future.

PRIORITY PASS RULES

In circumstances where an applicant applies for more than one priority pass, the highest priority award will be applied overall for bidding purposes. For example, where an applicant is awarded a silver priority for Housing Circumstances and a bronze priority for Lacking Facilities; the silver priority pass award will be the overall award to the application.

To differentiate between applicants who have the same priority and establish which application has been in that degree of need for the longest period, the date the award was given to the overall priority will be considered.

Transfer applicants of Castlehill Housing Association, Sanctuary Scotland Housing Association and Grampian Housing Association will be awarded priority in the same way as applicants who are not tenants. Transfer cases cannot be awarded priority for Housing Circumstances or for Lacking Facilities as they will have secure tenancies and properties that meet tolerable standards.

PRIORITY PASS TIME LIMITS

The gold priority pass awarded when an applicant is assessed as Statutory Homeless will be time limited for 6 months. Gold passes are awarded where the highest priority is applicable and where there is a need to quickly re-house the applicant due to their current circumstances. When an applicant holds a time limited gold priority award and does not bid for a suitable property, the system will remove the priority award unless extenuating circumstances applies.

In situations where no suitable properties have been advertised, the system will automatically renew the priority award where an applicant holds a priority pass and has not bid.

To ensure that appropriate use is made of adapted stock, tenants of Castlehill Association, Sanctuary Scotland Housing Association and Grampian Housing Association who are occupying a property adapted for disabled use and which they no longer require, will be offered a gold priority pass. This is the only gold priority pass that will not have a time limit imposed on it.

PRIORITY PASS AREA LIMITS

Applicants are to be given the opportunity to limit the areas in which they use a priority pass. Choosing to limit areas may result in the applicant increasing the time that they wait for rehousing however this is explained to them in the Homehunt guide.

In some situations, Homehunt NES may limit the choice of areas where a priority pass can be used. For example, where an applicant is awarded gold priority due to homelessness, the use of the Gold priority pass would be limited to within the local authority area where the applicant presented as homeless. Within rural local authority areas, consideration will be made of the distance of available properties as this may be a practical reason as to why an applicant chose not to bid. (Note: bidding circumstances will be considered on individual merit). Where an applicant applies for priority because they need to move to give or receive assistance, their priority pass will be limited by the Administrator to areas in and around the area they require to move to. The Administrator will consider the direct link between the assistance required or given, to the areas the applicant has chosen to limit. If the applicant bids out-with the areas that have been limited, the priority pass cannot be used.

BIDDING LIMITS

Applicants will not be precluded from bidding for as many properties as they wish in each fortnight. Applicants will be made aware that they will be considered for each property in the order that their bids are submitted and should consider this when making multiple bids

BEST USE

Best use will be the main consideration when allocating properties, followed by bids with the highest priority. For example, properties which have been adapted will be offered first to applicants who require and have a housing need for an adapted property. It will also mean that a 5 person, 4 apartment property would be considered 'best used' when allocated to a 5-person household. However, in such cases, consideration will be given to both single and joint applicants. This will ensure that single parent families are not discriminated against and considered on equal merit with joint applicants. Where best use is not met, the property will be allocated on highest priority. Where applicants have the same priority, date of award of need will be used to determine which applicant receives the offer.

RE-ADVERTISING OF PROPERTIES

Properties will be re-advertised where no bids for a vacant property have been received. Properties may also be re-advertised where bids have been received but there are a very low number or where the bids made are unsuitable due to the applicant not meeting the property requirements. In these circumstances, applicants who made a bid will still be considered.

SUSPENDING, BYPASSING AND DEFERRING APPLICANTS PUT 'ON HOLD'

Castlehill Housing Association, Sanctuary Scotland Housing Association and Grampian Housing Association will facilitate requests from applicants who wish their applications to be put on hold (Deferring) Applicants will be asked to define a specific length of time for this but may request that their application be made live again within that period.

Castlehill Housing Association, Sanctuary Scotland Housing Association and Grampian Housing Association will accept applicants onto the Registration List but may exclude them from bidding for or being offered accommodation for a **six- month** period in the following circumstances:

OUTSTANDING DEBTS

Applicants who have outstanding debts with their current or a previous landlord may have their application put 'on hold' if the debt outstanding is equivalent to more than one month's rent and where an arrangement to reduce the debt has not been made, or kept for a period of three months.

Where the applicant is a tenant of Castlehill Housing Association, Sanctuary Scotland Housing Association or Grampian Housing Association the arrangement put in place to clear any outstanding debt must be on a basis, which is entirely satisfactory to Castlehill Housing Association, Sanctuary Scotland Housing Association or Grampian Housing Association in terms of recovery of the debt.

In relation to this and other related documents such as the Allocation Policy, outstanding debts means any money owed to a landlord that is rent arrears; former tenant rent arrears; rechargeable repairs; legal costs; bank charges and any other related charges.

ANTI-SOCIAL BEHAVIOUR

Where an applicant has a history of anti-social behaviour, the applicant may be excluded from Homehunt NES in the following circumstances:

- Where the applicant, or an individual forming part of the application has been evicted on the grounds of antisocial behaviour in the past three years **and where the applicant refuses support**
- Where any form of legal or court action has been commenced against an applicant or an individual forming part of the application under the terms of the Housing (Scotland) Act 2001 or the Anti Social Behaviour etc. (Scotland) Act 2004
- Where the applicant is currently subject to an Anti Social Behaviour Order related to a current home address
- A Sex Offender, where the applicant has refused a Risk Assessment to be carried out in order to identify suitable housing

SUSPENSIONS

Castlehill Housing Association, Sanctuary Scotland Housing Association and Grampian Housing Association will accept applicants onto the Registration List but may exclude them from bidding for or being offered accommodation for a **two-year** period in the following circumstances:

VIOLENCE AGAINST STAFF

Castlehill Housing Association, Sanctuary Scotland Housing Association and Grampian Housing Association take staff safety seriously therefore any applicant who has behaved in a threatening manner to any member of staff will have their application put on hold.

FALSE INFORMATION

Applicants who have been found have given false or misleading information about their circumstances and this had led to the applicant attracting higher priority for housing than was due.

DELIBERATE WORSENING OF CIRCUMSTANCES

Where an applicant had been found to have deliberately worsened their living circumstances in order to attract higher priority for housing. Before implementing this rule Homehunt NES will require to be satisfied that the applicant knowingly altered his or her circumstances and that the resultant gain in priority was substantive.

ABANDONING OR NEGLECTING A PROPERTY

If an applicant's previous tenancy has been repossessed when abandoned under section 18(2) of the 2001 Housing (Scotland) Act, this means that an applicant could be suspended if they had because they had abandoned the property. It would apply whether they were a sole or joint tenant; or

if an applicant's previous tenancy has been repossessed following a recovery of possession on the ground of deterioration of the property due to neglect then their application could be suspended for a maximum of 2 years. Each case would have to be assessed on its merits. For example, the circumstances in which the repossession took place, is there rent arrears or rechargeable repairs outstanding.

This only applies to tenancies from the social rented sector. This also means that applicants can be suspended if they have abandoned or neglected any social rented sector tenancy not only a Castlehill Housing Association property.

PREVIOUS CONVICTIONS

An applicant may be suspended if they or a member of their household who is to be re-housed with them has a previous conviction. The type of conviction is detailed in section 20b of the 1987 Act. These are that the applicant, or someone who has lived with the applicant has been convicted of:

- Using a house or allowing it to be used for immoral or illegal purposes, or
- An offence punishable by imprisonment which was committed in, or in the locality of, a house occupied by the person.

EXCLUDED PROPERTIES

In order to meet current objectives and maximise best use of stock, it will be necessary under particular circumstances to exclude some vacant properties from the Choice Based Letting system of allocation. Below is a summary of circumstances under which this will happen.

FOR CASTLEHILL HOUSING ASSOCIATION, THIS WILL INCLUDE:

REFERRALS

Castlehill will consider referrals from other agencies if it is found that we can provide accommodation for the specialised needs of individuals. In such cases the Allocation Policy may not apply. For example, multi-agency next stage housing at Aberdeen City Council and Housing First Project.

ADAPTED NEW BUILD

In some circumstances, Castlehill will adapt a new build property for the needs of a specific household and this property will not be included in CBL. Subsequent re-lets of the property however will be advertised.

DECANTS/DEMOLITIONS

In the event that existing or potential tenants require to be re-housed to accommodate major works in their properties it may be necessary to identify a current vacancy and exclude this from Choice Based Lettings.

NEW BUILD

It may be necessary to exclude new build properties from Choice Based Lettings for example in circumstances where the local authority has 50% nomination rights or where the Association wishes to apply criteria for a balanced community to ensure that there was not an over concentration of vulnerable tenant members in one area.

MUTUAL EXCHANGES

Mutual Exchanges will be excluded from BL however this route will be promoted by the Association as a route for re-housing using House Exchange website, which can be found at <https://www.houseexchange.org.uk>

SHARED OWNERSHIP BUY BACKS

Properties which are bought back by the Association and let to the former owner will be excluded from being advertised.

FOR SANCTUARY SCOTLAND HOUSING ASSOCIATION THIS WILL INCLUDE:

REFERRALS

Sanctuary Scotland Housing Association will consider referrals from other agencies if it is found that we can provide accommodation for the specialised needs of individuals. In such cases the Allocation Policy may not apply.

SPECIAL SUPPORTED HOUSING (EXCLUDING SHELTERED HOUSING)

At present Sanctuary Scotland Housing Association provides accommodation for a variety of specialist housing and care providers. It is recognised that it will not be possible to let these properties via Choice Based Lettings.

ASSET MANAGEMENT

Sanctuary Scotland Housing Association recognises that it has a duty to make best use of its housing stock whilst ensuring that households in difficult circumstances can access properties that match their housing requirements. On occasions, it will be necessary to exclude identified properties from the Choice Based Lettings method of allocation to ensure a direct match with those in particular circumstances.

DECANTS/DEMOLITIONS

In the event that existing or potential tenants require to be re-housed to accommodate major works in their properties it may be necessary to identify a current vacancy and exclude this from Choice Based Lettings.

NEW BUILD

It may be necessary to exclude new build properties from Choice Based Lettings for example in circumstances where the local authority has 100% nomination rights or where the Association wishes to apply criteria for a balanced community to ensure that there was not an over concentration of vulnerable tenant members in one area.

MUTUAL EXCHANGES

Mutual Exchanges will be excluded from CBL however this route will be promoted by the Association as a route for re-housing using House Exchange website, which can be found at <https://www.houseexchange.org.uk>

MOVE UK

Properties allocated through Move UK will only be advertised where the yearly quota has been met.

GRAMPIAN HOUSING ASSOCIATION

Grampian Housing will consider referrals from other agencies if it is found that we can provide accommodation for the specialised needs of individuals.

In some circumstances, Grampian Housing may adapt a new build property for the needs of a specific household and this property will not be included in CBL. Subsequent re-lets of the property however will be advertised.

In the event that existing or potential tenants require being re-housed to accommodate major works in their properties it may be necessary to identify a current vacancy and exclude this from CBL.

It may be necessary to exclude some new build properties from CBL, for example if the local authority has 100% nomination rights for a new housing development.

Mutual Exchanges will be excluded from CBL however this route will be promoted by the Association as a route for re-housing using House Exchange.

The Housing First initiative is a programme aimed at providing permanent, settled accommodation to those who are homeless with specific support needs. The Association has pledged a small number of properties to assist with this initiative and applicants nominated through this project will be exempt from CBL.

SHELTERED AND VERY SHELTERED HOUSING

Properties which are Sheltered or Very Sheltered will be advertised as such and bids will only be accepted from applicants who meet the age criteria. The age criteria if applying for Castlehill Housing Association is normally 60 unless the applicant has a medical or support need. In this type of accommodation, applicants should have a requirement for housing support.

Allocation for Sheltered or Very Sheltered properties can only be made where the applicant also meets the criteria for funding under the terms of Housing Support legislation and with the agreement of the Local Authority Supporting People team.

Applicants for Sheltered or Very Sheltered Housing will normally have a medical need and a Housing Support need to be rehoused. This will be assessed at the application stage from the information gathered in the Medical Priority Pass form. The assumption will be made that where an applicant is applying for medical priority and is eligible to bid for Sheltered or Very Sheltered Housing, that there will be a Housing Support Need.

Further assessment will be required when applicants have bid for a property and where possible, use will be made of the Single Shared Assessment system. This detailed assessment of need will allow the local authority to assess the Housing Support Need and approve funding for the Housing Support Service.

Where applicants are bidding for Castlehill Housing Association Very Sheltered Properties, the decision on best use of the property will be made by a panel which will include Castlehill Housing Association personnel, Support Provider for the Very Sheltered Development, and representatives from the local authority. The panel meeting must take place before the allocation can be made therefore publishing the outcome of the allocation may be delayed.

NOMINATIONS WITH LOCAL AUTHORITIES

Castlehill Housing Association, Sanctuary Scotland Housing Association and Grampian Housing Association acknowledge that they have an obligation to assist the three local authorities (Aberdeen City, Aberdeenshire and Moray) to allocate properties to homeless applicants and to accept Section 5 referrals under the duty placed on them in the Housing (Scotland) Act 2001.

Both organisations have detailed their arrangements with the local authorities in a Choice Based Lettings Protocol. This Protocol will also ensure that applicants other than homeless, are not unnecessarily excluded from housing with Homehunt NES, through regular monitoring of to whom properties are allocated.

COMPLAINTS POLICY AND PROCEDURE

An applicant who has a complaint about any aspect of the service they have received and/or any decision taken during the registration of their application, and during the allocation process when using Homehunt NES can make a formal complaint.

In every case, Homehunt will try to resolve the complaint informally however if required, further information on the complaints process and timescales are detailed in the Complaints Policy which can be found at <https://www.castlehillha.co.uk/wp-content/uploads/2017/04/complaints-procedure-cha.pdf>

SHARED OWNERSHIP

Castlehill Housing Association provide Shared Ownership properties for applicants aged 55 and over or where an applicant has a medical condition that requires amenity type accommodation. Admission and assessment for shared ownership housing is on the same basis as that for rented housing with the additional requirement that the applicant must have:

- Sufficient finance to purchase at least 25% share in the property, but:
- Insufficient finance to allow for the outright purchase of suitable property, if such property is available in their area of choice.

Castlehill reserves the right to seek sufficient financial information from the applicant to make the afore mentioned assessment and may reject an application if the applicant is not willing to provide this.
