## Good News Stories

### Tina, 44, Mastrick

**Tina was paid off from her job which she had been in for five years.**

She needed help with online applications and a new CV. Tina's Keyworker made up a new CV and helped her with online applications. Tina secured work collating online groceries.

### Shona, 26, Torry

**Shona is a lone parent who's only previous work experience was volunteering, over six years ago.**

To help improve her chances of finding work, her Keyworker found her another volunteer position to re-build her confidence. Following this she secured a job as a cleaner to fit the times she needed to be available for childcare.

### Bruce, 33, City Centre

**Bruce found himself out of work after a long term injury prevented him from doing his normal job.**

No longer able to do heavy lifting, his Keyworker helped him apply to get on a Security course. Once qualified and fit for work, his Keyworker helped him complete applications and Bruce is now working in Security.
