

Management Committee Member

Ben Westland

Ben joined the Management Committee in 2020. Formerly Convenor of the Finance and Development Committee, Ben is now the convenor of the Finance, Audit and Risk Committee and a Director of Castlehill Solutions Ltd.

Currently the Director of The Institution of Civil Engineers (ICE) in Scotland, Ben's career to date has been mainly in economic development supporting the built environment, including several years with Scottish Enterprise as Construction Sector Manager, in a senior role establishing the Construction Scotland Innovation Centre and three years in consultancy.

Ben is also a Trustee of the Green Action Trust, an organisation focused on environmental regeneration and is previous Chair of a small Fife-based charity that supports the personal development and employability of young people through a focus on STEM and motor racing.
